Be - tween the woods the af - ter - noon is a -  
there I saw a white swan make a -  
fall - en in a gold - en swoon The sun looks  
noth - er white swan in the lake The Breast to  
down from both qui - et skies to where a qui - et  
breast both mo - tion - less They wait - ed for the  
wa - ter lies And si - lent the trees stoop down to  
wind's car - less And all the wa - ter was at  
trees
